

Announcement!

May 27–29, 2009

Office of Research on Women's Health/NIH/DHHS and the Department of Obstetrics, Gynecology, and Reproductive Sciences at the University of California, San Francisco (UCSF)

Moving Into the Future – New Dimensions and Strategies for Women's Health Research for the National Institutes of Health

The ORWH is convening the second in a series of public hearings and scientific workshops to update the Women's Health Research Agenda at the NIH for the coming decade. The meeting is cohosted by the ORWH and UCSF.

The ideas and recommendations emerging from this conference and other regional conferences will help inform future women's health research priorities at the NIH.

Focus areas for discussion at this workshop:

- Global Health
- Stem Cells
- Women's Health and the Environment
- HIV/AIDS and Women
- Women in Science
- Information Technology

Location:

All sessions will be held at—
Mission Bay Conference Center at UCSF
1675 Owens Street
San Francisco, CA 94158

More information on the agenda, how to submit testimony, invited speakers, and registration and travel information will be available at:
