“Heart Health for Women: Using Old Knowledge, Generating New Knowledge”

Friday, March 6, 2009

10:30 am - 11:30 am*

Note: This lecture will take place one hour earlier than we normally have WHSIG lectures.

**Wilson Hall
Building 1, 3rd floor**

Come join your fellow NIH colleagues in a scientific exchange on issues related to the biology and pathology of sex and gender differences and effects on women's health. If you require sign language interpretation, please contact Ms. Vicki Malick at malickv@mail.nih.gov five days prior to this seminar. This event will be available on archive at videocast.nih.gov one week after the lecture.
