Implementation of the FY 2019 – 2023 Trans-NIH Strategic Plan for Women’s Health Research

This Guide assists ICOs with their implementation and evaluation plans. Significant input was provided by:
- CCRWH Subcommittee
- P&E Evaluation Subcommittee

ORWH collaborated with OEPR to create a data call webform and module in the START platform.

FY 2024 – 2028 NIH-Wide Strategic Plan for Women’s Health Research
Evaluation of the FY2019 – 2023 plan will contribute to the creation of the FY2024 – 2028 Plan.
The process to develop new goals and the next iteration of the Strategic Plan is underway.

March 2021
August 2021

Fall and Winter 2021

Developing the Process and Tracking the Implementation and Evaluation of the National Institutes of Health Strategic Plan for Women’s Health Research
Samia Nouri, PhD, Janine Austin Clayton, MD @, Ching-yi Shieh, PhD, Laura Sharon, MA, Dawkhimberly Hopkins, PhD, Dana Simms, MPH, and Amber Sinclair, PhD

This paper highlights the processes that led to the development of the “Guide”.

NIH ICO staff completed FY 2019 and FY 2020 Data Calls.

Core Metrics
FY2020
FY2019 (as reported)

1. Level of investment associated with awards related to women’s health research
2a. Applications submitted to women’s health related FOAs
2b. Applications awarded to women’s health related FOAs

Trans-NIH Women’s Health Strategic Plan Goal 1
Trans-NIH Women’s Health Strategic Plan Goal 2
Trans-NIH Women’s Health Strategic Plan Goal 3
