HRSA Maternal Health Activities

HRSA Maternal Mortality Summit (June 2018)

- Experts from U.S., 6 countries, and WHO
- Highlighted innovative strategies in reducing maternal mortality

HRSA/MCHB Maternal Health Activities

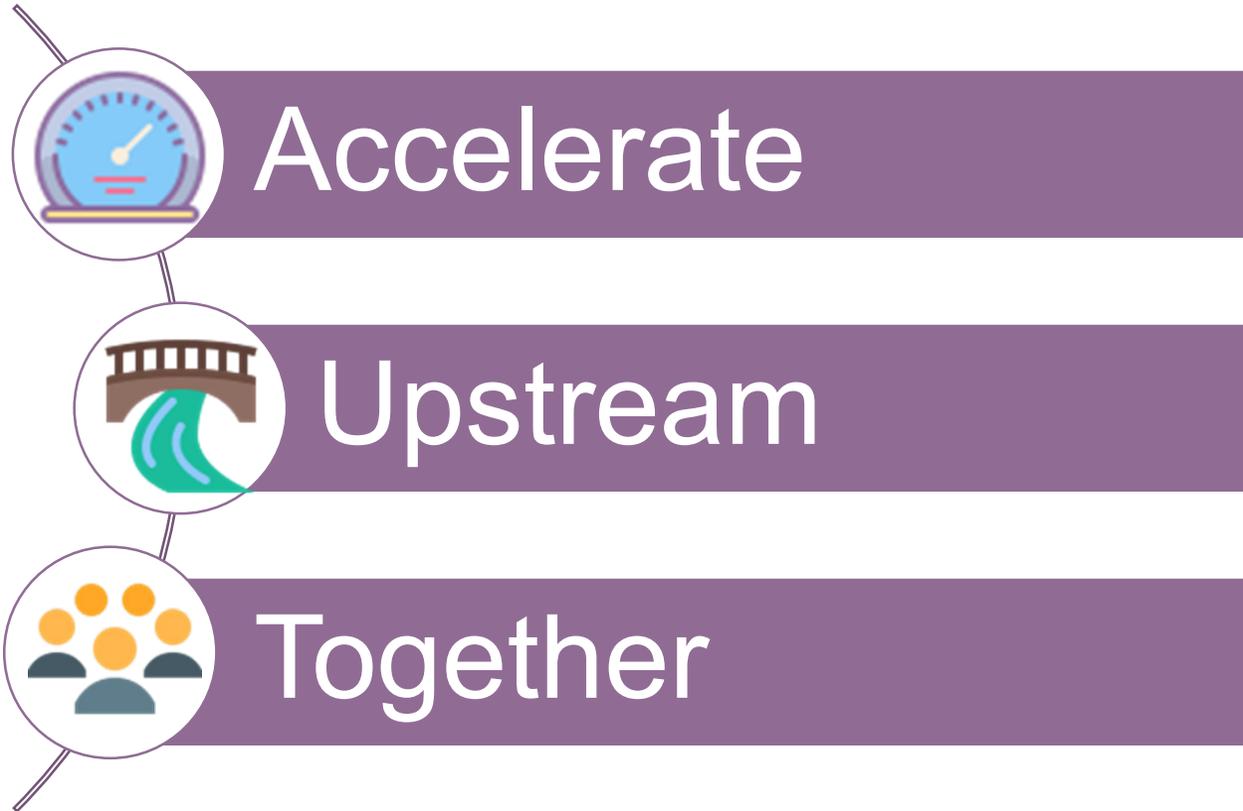

- **Title V is the oldest Federal/State partnership**
- **Title V provides partial or complete funding support for maternal mortality activities, which may include maternal mortality review committees (MMRC), in 56 of 59 States/jurisdictions**

HRSA/MCHB Maternal Health Activities

- Title V-supported activities:
 - Promote health & wellness before/during/after pregnancy;
 - Maternal mortality surveillance and case reviews;
 - Convene perinatal quality collaboratives;
 - Support implementation of AIM bundles; and/or
 - Establish collaborative supportive public health partnerships.
