

8<sup>TH</sup> ANNUAL  
VIVIAN W. PINN  
SYMPOSIUM

## Synergy in Science: Innovations in Autoimmune Disease Research and Care

May 15, 2024, 1–5 p.m. EDT

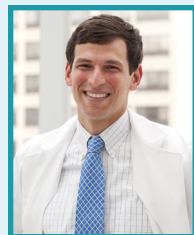

Virtual-Only Event

Join the [NIH Office of Research on Women's Health \(ORWH\)](#) for the 8th Annual Vivian W. Pinn Symposium. Hosted by ORWH each year during National Women's Health Week, this event honors the first full-time director of the office, Vivian W. Pinn, M.D.

This year's symposium titled "Synergy in Science: Innovations in Autoimmune Disease Research and Care" is a convergence of cutting-edge insights and collaborative efforts in the realm of autoimmune diseases. The symposium will feature renowned experts and thought leaders who will share their expertise and perspectives on various topics in the realm of autoimmune diseases.

For event updates including registration and VideoCast, please visit the OADR-ORWH event page

**Featuring a special Fireside Chat titled "Turning Hope into Action—Empowering Communities to Advance Science"**

**David Fajgenbaum, M.D., M.B.A., M.Sc.**
