

# 7<sup>TH</sup> ANNUAL VIVIAN W. PINN SYMPOSIUM

## Menopause and Optimizing Midlife Health of Women

May 16, 2023

10 a.m. – 5 p.m. EDT

Virtual-Only Event

Join the [NIH Office of Research on Women's Health \(ORWH\)](#) for the 7th Annual Vivian W. Pinn Symposium. Hosted by ORWH each year during National Women's Health Week, this event honors the first full-time director of the office, Dr. Vivian W. Pinn.

This event serves as a critical forum for experts across sectors to communicate and collaborate for the advancement of women's health.

This year's symposium titled "Menopause and Optimizing Midlife Health of Women" will discuss the menopausal transition, the accumulation of morbidity after menopause, menopause in special populations, the influence of social determinants of health on the experience of menopause, the use of menopausal hormonal therapy, and interventions to promote healthy aging.
