

Specialized Centers of Research Excellence (SCORE) 2023 Annual Meeting Keynote Address

Friday, November 3, 2023

8:40 a.m. – 9:30 a.m. EST

The Specialized Centers of Research Excellence (SCORE) on Sex Differences program is the only NIH centers program supporting disease-agnostic research on sex differences. Each center serves as a national resource for translational research to identify the role of biological sex differences in the health of women.

Featured Speaker

President of the Albert and Mary Lasker Foundation, **Claire Pomeroy, M.D., M.B.A.**, will present the keynote address at the annual meeting. This year's Keynote address is titled, "Core Values and Your Research Career: Health Equity and the Social Determinants of Health."

Please visit the [ORWH event page](#) to watch Dr. Pomeroy speak via NIH [VideoCast](#).*

Sign language interpreting services are available upon request. Individuals who need interpreting services and/or other reasonable accommodations to participate in this event should contact the SCORE planning team at ScoreU54@od.nih.gov. Requests should be made at least five days in advance of the event.

**Keynote address only. The rest of the event is a business meeting for SCORE investigators.*
