ORWH MMM Program Updates

- Convened ICOs to present on their MMM activities at the December 2018 and January 2019 Coordinating Committee on Research on Women's Health (CCRWH) meetings
- Convened two meetings of points of contacts from the various ICOs for MMM:
 - Research agenda
 - Shared projects
 - Ideas for future collaborations
- Created a “Fact Sheet” on MMM (in your current folders)
- Developed “Resource Page”

ORWH MMM Future Research/Programs

- Continue **collaboration** with ICOs via meetings, conference calls to discuss **shared agenda**
- Host and coordinate an Invited Special Issue of the **Journal of Women's Health**
 - Seven articles by leading researchers
 - Coordinated by ORWH and NICHD
 - Contributions from ICOs
- Continue to update and enhance the **Resource Page**
 - Collaboration with NIH ICOs
 - HHS OWH: on board
 - HHS: invite CDC, FDA, and HRSA
