

THE WHITE HOUSE WASHINGTON

The Next Frontier in Women's Health: Harnessing Innovation to Power Interdisciplinary Research October 29, 2024

Time Session 1:00 p.m. Welcome Jennifer Klein, Director, White House Gender Policy Council 1:05 p.m. Prioritizing Women's Health Research from the White House Carolyn Mazure, Ph.D., Chair, White House Initiative on Women's Health Research 1:15 p.m. Women's Health: A Pillar of NIH Research Monica Bertagnolli, M.D., NIH Director 1:25 p.m. NIH Priorities for FY25 and Beyond Tara Schwetz, Ph.D., NIH Deputy Director for Program Coordination, Planning, and Strategic Initiatives 1:35 p.m. Accepting the Challenge: Progress Toward Implementing the Executive Order on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director of the Office of Research on Women's Health (ORWH) 1:45 p.m. Interdisciplinary Innovations: The Future of Women's Health Research Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD)		
1:05 p.m. Prioritizing Women's Health Research from the White House Carolyn Mazure, Ph.D., Chair, White House Initiative on Women's Health Research Monica Bertagnolli, M.D., NIH Director 1:15 p.m. Women's Health: A Pillar of NIH Research Monica Bertagnolli, M.D., NIH Director 1:25 p.m. NIH Priorities for FY25 and Beyond Tara Schwetz, Ph.D., NIH Deputy Director for Program Coordination, Planning, and Strategic Initiatives 1:35 p.m. Accepting the Challenge: Progress Toward Implementing the Executive Order on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director of the Office of Research on Women's Health (ORWH) 1:45 p.m. Interdisciplinary Innovations: The Future of Women's Health Research Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child	Time	Session
1:15 p.m. Women's Health: A Pillar of NIH Research Monica Bertagnolli, M.D., NIH Director 1:25 p.m. NIH Priorities for FY25 and Beyond Tara Schwetz, Ph.D., NIH Deputy Director for Program Coordination, Planning, and Strategic Initiatives 1:35 p.m. Accepting the Challenge: Progress Toward Implementing the Executive Order on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director of the Office of Research on Women's Health (ORWH) 1:45 p.m. Interdisciplinary Innovations: The Future of Women's Health Research Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child	1:00 p.m.	
 Monica Bertagnolli, M.D., NIH Director 1:25 p.m. NIH Priorities for FY25 and Beyond Tara Schwetz, Ph.D., NIH Deputy Director for Program Coordination, Planning, and Strategic Initiatives 1:35 p.m. Accepting the Challenge: Progress Toward Implementing the Executive Order on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director of the Office of Research on Women's Health (ORWH) 1:45 p.m. Interdisciplinary Innovations: The Future of Women's Health Research Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child 	1:05 p.m.	
 Tara Schwetz, Ph.D., NIH Deputy Director for Program Coordination, Planning, and Strategic Initiatives 1:35 p.m. Accepting the Challenge: Progress Toward Implementing the Executive Order on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director of the Office of Research on Women's Health (ORWH) 1:45 p.m. Interdisciplinary Innovations: The Future of Women's Health Research Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child 	1:15 p.m.	
on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director of the Office of Research on Women's Health (ORWH) 1:45 p.m. Interdisciplinary Innovations: The Future of Women's Health Research Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child	1:25 p.m.	Tara Schwetz, Ph.D., NIH Deputy Director for Program Coordination, Planning, and
Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH Cardiovascular Disease State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child	1:35 p.m.	on Women's Health Research Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's
State of the Science and Opportunities Gary Gibbons, M.D., Director, National Heart, Lung, and Blood Institute (NHLBI) Research Innovation and Looking to the Future Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child	1:45 p.m.	Across the Lifespan Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's
Gina Wei, M.D., M.P.H., Senior Scientific Advisor on Women's Health, NHLBI Gynecologic Health and Diseases State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child		State of the Science and Opportunities
State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child		
		State of the Science and Opportunities Diana Bianchi, M.D., Director, Eunice Kennedy Shriver National Institute of Child

Research Innovation and Looking to the Future
Candace Tingen, Ph.D., Chief, Gynecologic Health and Disease Branch, NICHD

Immune System and Autoimmunity

State of the Science and Opportunities

Ellen Goldmuntz, M.D., Ph.D., Chief, Autoimmunity and Mucosal Immunology Branch, National Institute of Allergy and Infectious Diseases (NIAID)

Research Innovation and Looking to the Future

Daniel Rotrosen, M.D., Director, Division of Allergy, Immunology, and Transplantation, NIAID

Substance Use and Other Mental Health Disorders

State of the Science and Opportunities

Carlos Blanco, M.D., Ph.D., Director, Division of Epidemiology, Services, and Prevention Research, National Institute on Drug Abuse (NIDA)

Research Innovation and Looking to the Future

Rita Valentino, Ph.D., Director, Division of Neuroscience and Behavior, NIDA

Midlife Health and the Menopausal Transition

State of the Science and Opportunities

Richard Hodes, M.D., Director, National Institute on Aging (NIA)

Research Innovation and Looking to the Future

Chhanda Dutta, Ph.D., Chief, Clinical Gerontology Branch, NIA

Osteoporosis and Post-Menopausal Bone Health

State of the Science and Opportunities

Robert Carter, M.D., Deputy Director, National Institute of Arthritis and Musculoskeletal and Skin Diseases (NIAMS)

Research Innovation and Looking to the Future

Sundeep Khosla, M.D., Osteoporosis and Bone Biology Lab, Mayo Clinic

Sleep

State of the Science and Opportunities

Gary Gibbons, M.D., Director, NHLBI

Research Innovation and Looking to the Future

Marishka Brown, Ph.D., Director, National Center on Sleep Disorders Research, NHLBI

2:50 p.m. Turning the Possible into Reality: Next Steps and Future Directions

Moderated by Vivian Ota Wang, Ph.D., FACMG, CGC, Deputy Director, ORWH

3:30 p.m. **Closing**

Janine Clayton, M.D., FARVO, NIH Associate Director for Research on Women's Health, Director, ORWH
